

I am writing to tell you how much K-LOVE means to me and my family. It is the only station that I can have on in the car with my children. Having K-LOVE on totally changes the atmosphere in my car. The kids quiet down and listen to the music and sing along. It is such a blessing to my family. Please don't displace K-LOVE with an LPFM broadcaster. It would totally change so many people's driving time in Austin. This station means so much to this community. It is a positive, encouraging, uplifting station that only makes things better in our community. Thank you.
